

Connected Learning

Maplewood Academy

Concept

Connected Learning is a delivery model that provides real-time educational experiences and learning opportunities to students in multiple locations through technology.

Connected Learning Relaunch 17-18

- Connected Campus (6+ students)
 - Minnetonka, St. Paul
 - Other states
- Connected Individual (1-5 students)
 - Small groups at school or church campus
- Connected a la Carte (1 student)
 - Home school electives, advanced classes
